

**PERMANENT OPPORTUNITY  
WEB DESIGNER  
FLAGS BUSINESS UNIT  
HEAD OFFICE  
Ref No: E286**

We have a permanent opportunity for a Web Designer based within the FLAGS business unit at Vicar Lane, Bradford.

This role is responsible for the design, build and testing of emails and web pages. A strong creative ability to come up with original ideas is crucial, as is the ability to confidently code in HTML and CSS. You will work across all our brands assisting each with the delivery of their online targets and vision.

**If you.....**

- Can demonstrate experience and knowledge in both web and email design
- Have a strong creative ability to take briefs and turn them into engaging campaigns
- Have a strong understanding of designing and building web pages
- Have excellent working knowledge of Adobe Photoshop, Dreamweaver
- Have excellent HTML and CSS skills
- Have a good understanding of usability, user experience and the general workings of ecommerce sites and related media.
- Have a good understanding of different browsers and devices.
- Have the ability to adapt to new and existing technologies
- Have good communication skills.
- Have the ability to work under pressure to tight deadline
- Can work individually and as part of a team.

**To apply**

Email [applications@fgh-uk.com](mailto:applications@fgh-uk.com) with your CV and a covering letter outlining the reasons why you feel you are suitable for the role. Please quote the reference number in the subject of your email.

**This role may be subject to credit and DBS checks  
FGH is committed to the fair treatment of customers at all times**
