

**PERMANENT OPPORTUNITY
BUSINESS ANALYST - IT
BRADFORD
REF NO: E316**

A permanent opportunity has arisen for a Business Analyst within IT at Vicar Lane.

The purpose of the role is to utilise best practise Business Analysis techniques to facilitate investigation and design phases of projects, complete impact assessments and contribute towards the production of business cases. Define & implement standard business analysis processes across the business. Manage the project management elements of smaller projects (both agile and waterfall).

If you:-

- Have hands on practical as well as strategic experience
- Experience in gathering of business requirements.
- Are confident with great communication skills, able to engage stakeholders and peers effectively
- Have experience in mapping business processes and defining future processes.
- Have experience of using business analysis tools ideally in a retail or process driven environment
- Are capable of researching complex issues from scratch and to assist in the production of recommendations at director and senior management level

Then why not apply for this role?

All applications to applications@fg-h.uk.com with a copy of your CV and covering letter stating by you think you are suitable for this role quoting reference number E316.
