

**PERMANENT OPPORTUNITY**  
**GRADUATE ANALYST PROGRAMMER – SOFTWARE DEVELOPER**  
**BRADFORD**  
**Ref No: E274**

A permanent opportunity has arisen for a Graduate Analyst Programmer based at Vicar Lane Bradford.

As part of the E-Commerce Team, the main purpose of the role is to work closely with IT and Business colleagues to analyse requirements, design, develop, deliver and support solutions which meet our organisational requirements.

**If you.....**

- Have some commercial mobile website and mobile App development experience.
- Have some technology experience - HTML5, CSS, JavaScript, JQUERY; AngularJS, Ionic, Apache Cordova/PhoneGap or similar mobile App frameworks.
- Are familiar with Microsoft ASP or similar frameworks (desirable).
- Have strong knowledge of software development fundamentals, are creative at problem solving and have a strong technical aptitude.
- Have some experience of the full software development lifecycle (Analysis, Design, Development, Testing and Deployment).
- Have good written and verbal communication skills with the ability to express complex engineering ideas with ease.
- Can work in an open and collaborative environment using agile processes.
- Are educated to Degree Level.
- Have a flexible and proactive approach to change, supportive of innovation and accepting change positively.
- Are structured and disciplined in your approach and able to manage activities within an agreed schedule.

Email [applications@fgh-uk.com](mailto:applications@fgh-uk.com) with your CV and a covering letter outlining the reasons why you feel you are suitable for the role. Please quote the reference number in the subject of your email.

**This role will be subject to credit and DBS checks**  
**FGH is committed to the fair treatment of customers at all times**
