

**PERMANENT OPPORTUNITY
ASSISTANT BRIDGE OPERATOR
BRADFORD
Ref No: E359**

An opportunity has arisen for an Assistant Bridge Operator based within the IT Team at Listerhills.

The purpose of the role is to ensure that all FGH computer systems are operated, controlled and monitored within agreed procedures. The job holder is also responsible for ensuring that all IT related problems are acted upon, with escalation in a timely manner, where appropriate.

If you:-

- Have basic working, operational experience and understanding of IBM based hardware and system software, including Jes2, TPX OPC & Sysview
- Have a basic understanding of LAN/WAN, TCP/IP and Networking protocols
- Have basic operational experience and knowledge of PCs and Microsoft Office software
- Are self-motivated, with the ability to work under pressure, whilst dealing with simultaneous processes
- Have good communication skills, with the ability to deal with staff at all levels throughout the business and 3rd party suppliers
- Have basic technical awareness, linked with experience in an IT Data Centre orientated environment
- The flexibility to undertake shift work, including nights

If this is you, then why not apply for this role?

All applications to applications@fgh-uk.com with a copy of your CV and covering letter stating by you think you are suitable for this role quoting reference number E359.

**This role may be subject to credit and DBS checks
FGH is committed to the fair treatment of customers at all times**
